**Amount of subsidy is determined by income level and hours attended per month:**

- **Less than 100 hours a month: maximum subsidy is \$366**
- **100 hours and more a month: maximum subsidy is \$266**

\*The Affordability Grant is available for any child attending the program 50 or more a month. It is based on attendance, the program receives it based on attended hours, it requires no application. Days missed due to illness or isolation will not be deducted from your hours.

\*\*Subsidy is the second deduction if you qualify for it. It requires you to apply. Maximum subsidy is \$266 per month; the subsidy decreases with the amount of your household income. The approved amount you qualify for is deducted from your fees. The program receives the subsidy on your behalf.

\*\*\*Drop-in days and hours rely on available space; you must communicate with the program a least 24 hours before attendance.

**Important information**

- All fees are by the 1st of the month for the attending month.
- Fees do not change regardless of missed days or holidays within the month.
- For Program closures in December & April; your monthly fee will be decreased by 25%
- For emergency closures, you will be credited your fee amount of the booked or usual days attending during the closure.
